

Celtic Roses springs to life through the vision of Perla Davide and Letizia Perin, dancers with over a decade of experience in Irish dance.

This new project is dedicated to expressing the profound passion and unwavering commitment that has forever bound us to the realm of music and traditional folk dances.

Celtic Roses aspires to capture and showcase the genuine essence of Irish dance, and beyond, in all of its diverse forms.

## DANCING TALES BY THE FIRE

"Dancing Tales by the Fire" is a journey through the history of Irish dance and music, from its origins to the present day.

You will be fascinated by the deep roots of our story, born in that ancient land we now call Ireland.

We will guide you hand in hand through our story, from the dances around the fire to the convivial songs that resonate in Irish pub evenings, animated by dances to the beat of jigs and reels.

A long journey that takes us to America, where music, dance, and singing evolve: Irish dancing meets tap dance rhythms, and artists express their arts in all their magnificence, with new techniques and collected virtuosity, in a show aimed at amazing spectators.
